The Eclipse Soccer Club is a Fairbanks non-profit competitive soccer club established in 1995. The Club is comprised of both boys and girls teams; ranging in ages from 9 to 18 years old. The Eclipse Soccer Club is dedicated to fostering competitive fun and athletics in youth sports. The Club offers participants a positive learning environment, team experience, and the opportunity to create life-long memories.

To successfully compete in local and state tournaments; the Club is actively seeking sponsors. Players train year round in preparation for competing in the summer soccer season.
