Please make sure to have enough food to feed 7 people (6 men and 1 woman). We do have 1 vegetarian coach so some vegetarian options would be nice. Please make sure to include drinks, plates, and silverware. The coaches love all kinds of foods and are very thankful for anything they get.

All afternoon teams need to pay the club \$45 to help pay for the pump house gift certificate we give the coaches to use while they are up here for camp. Please make checks out Eclipse Soccer Club. If you wish we could transfer the money from your team account to our club account if you wish. If you would like for us to transfer the money please let me and Monica (club treasurer) know.

WE need 2 volunteers from each team to help with the club picnic. So far I have not received any volunteers. Please ask your parents who could help out - and send me their names and contact information.
